

# Texas EMS Conference 2003

November 23-26, 2003  
San Antonio, Texas

We're heading south to the riverwalk and the Alamo this year as Texas EMS Conference moves to San Antonio for 2003. Of course, we know that your main reason for attending an EMS conference is for the 130 different top-quality workshops to choose from, or the world-class preconference classes, or simply all that chicken-fried steak at the awards luncheon. But San Antonio offers plenty of history, shopping and entertainment for your leisure hours.

See you in San Antonio!
